SOCIAL SERVICES

Children receiving payment from the Foster Care Maintenance Payments program provided through County Departments of Human Resources numbered 810 for the month of August. The maximum board payment from the Department is based on the age of the child and is as follows: 0-2 years, $181.00; 3-5 years, $192.00; 6-12 years, $202.00; and 13-18 years (19 if last year in high school), $213.00. The average board payment per month may be less than the maximum because some of the children included have board payments made partially from private funds and because some children do not remain at board for a full month. In some instances the average board payment may exceed the maximum because certain children are eligible for nursing care or special care.

SOCIAL SERVICES

Children receiving payment from the Foster Care Maintenance Payments program provided through County Departments of Human Resources numbered 808 for the month of September. The maximum board payment from the Department is based on the age of the child and is as follows: 0-2 years, $181.00; 3-5 years, $192.00; 6-12 years, $202.00; and 13-18 years (19 if last year in high school), $213.00. The average board payment per month may be less than the maximum because some of the children included have board payments made partially from private funds and because some children do not remain at board for a full month. In some instances the average board payment may exceed the maximum because certain children are eligible for nursing care or special care.

1/ Averages are not representative in some counties as children were sometimes at board for only part of the month. Also, in other instances, payments are higher than usual due to unusual care required because of special needs. Average payment should not be used to compute DHR financial obligation.

2/ Includes 0 State FCMP cases.

3/ In addition, there were 57 children in foster care for whom neither board payment nor specialized service fee was made.

SOCIAL SERVICES

Children receiving payment from the Aid to Children in Foster Care program provided through County Departments of Human Resources numbered 2,630 for the month of September. The maximum board payment from the Department is based on the age of the child and is as follows: 0-2 years, $181.00; 3-5 years, $192.00; 6-12 years, $202.00; and 13-18 years (19 if last year in high school), $213.00. The average board payment per month may be less than the maximum because some of the children included have board payments made partially from private funds and because some children do not remain at board for a full month. In some instances the average board payment may exceed the maximum because certain children are eligible for nursing care or special care.

SOCIAL SERVICES

Children receiving payment from the Foster Care Maintenance Payments program provided through County Departments of Human Resources numbered 814 for the month of October. The maximum board payment from the Department is based on the age of the child and is as follows: 0-2 years, $181.00; 3-5 years, $192.00; 6-12 years, $202.00; and 13-18 years (19 if last year in high school), $213.00. 2/ Includes 0 State FCMP cases.

3/ In addition, there were 59 children in foster care for whom neither board payment nor specialized service fee was made.

1/ Excludes payments from private funds.

2/ Averages are not representative in some counties as children were sometimes at board for only part of the month. Also, in other instances, payments are higher than usual due to unusual care required because of special needs. Average payment should not be used to compute DHR financial obligation.

3/ Includes children under State supervision.

4/ In addition, there were 639 children in foster care for whom neither board payment nor specialized service fee was made.

SOCIAL SERVICES

Children receiving payment from the Foster Care Maintenance Payments program provided through County Departments of Human Resources numbered 824 for the month of November. The maximum board payment from the Department is based on the age of the child and is as follows: 0-2 years, $181.00; 3-5 years, $192.00; 6-12 years, $202.00; and 13-18 years (19 if last year in high school), $21[illegible].00. The average board payment per month may be less than the maximum because some of the children included have board payments made partially from private funds and because some children do not remain at board for a full month. In some instances the average board payment may exceed the maximum because certain children are eligible for nursing care or special care.

The maximum board payment from the Department is based on the age of the child and is as follows: 0-2 years, $181.00; 3-5 years, $192.00; 6-12 years, $202.00; and 13-18 years (19 if last year in high school), $213.00. The average board payment per month may be less than the maximum because some of the children included have board payments made partially from private funds and because some children do not remain at board for a full month. In some instances the average board payment may exceed the maximum because certain children are eligible for nursing care or special care.

SOCIAL SERVICES

Children receiving payment from the Foster Care Maintenance Payments program provided through County Departments of Human Resources numbered 835 for the month of January. The maximum board payment from the Department is based on the age of the child and is as follows: 0-2 years, $181.00; 3-5 years, $192.00; 6-12 years, $202.00; and 13-18 years (19 if last year in high school), $213.00. The average board payment per month may be less than the maximum because some of the children included have board payments made partially from private funds and because some children do not remain at board for a full month. In some instances the average board payment may exceed the maximum because certain children are eligible for nursing care or special care.

1/ Averages are not representative in some counties as children were sometimes at board for only part of the month. Also, in other instances, payments are higher than usual due to unusual care required because of special needs. Average payment should not be used to compute DHR financial obligation.

2/ Includes 0 State FCMP cases.

3/ In addition, there were 72 children in foster care for whom neither board payment nor specialized service fee was made.

1/ Excludes payments from private funds.

2/ Averages are not representative in some counties as children were sometimes at board for only part of the month. Also, in other instances, payments are higher than usual due to unusual care required because of special needs. Average payment should not be used to compute DHR financial obligation.

3/ Includes children under State supervision.

4/ In addition, there were 640 children in foster care for whom neither board payment nor specialized service fee was made.

CHILDREN UNDER CARE OF STATE DEPARTMENT OF HUMAN RESOURCES

Through the Office of Adoption of the Division of Family and Children's Services, the State Department was at the end of January acting as legal custodian to 740 children who were under its direct care.

SOCIAL SERVICES

Children receiving payment from the Foster Care Maintenance Payments program provided through County Departments of Human Resources numbered 866 for the month of February. The maximum board payment from the Department is based on the age of the child and is as follows: 0-2 years, $181.00; 3-5 years, $192.00; 6-12 years, $202.00; and 13-18 years (19 if last year in high school), $213.00. The average board payment per month may be less than the maximum because some of the children included have board payments made partially from private funds and because some children do not remain at board for a full month. In some instances the average board payment may exceed the maximum because certain children are eligible for nursing care or special care.

SOCIAL SERVICES

Children receiving payment from the Foster Care Maintenance Payments program provided through County Departments of Human Resources numbered 888 for the month of March. The maximum board payment from the Department is based on the age of the child and is as follows: 0-2 years, $181.00; 3-5 years, $192.00; 6-12 years, $202.00; and 13-18 years (19 if last year in high school), $213.00. SOCIAL SERVICES

Children receiving payment from the Foster Care Maintenance Payments program provided through County Departments of Human Resources numbered 907 for the month of April. The maximum board payment from the Department is based on the age of the child and is as follows: 0-2 years, $181.00; 3-5 years, $192.00; 6-12 years, $202.00; and 13-18 years (19 if last year in high school), $213.00. The average board payment per month may be less than the maximum because some of the children included have board payments made partially from private funds and because some children do not remain at board for a full month. In some instances the average board payment may exceed the maximum because certain children are eligible for nursing care or special care.

1/ Averages are not representative in some counties as children were sometimes at board for only part of the month. Also, in other instances, payments are higher than usual due to unusual care required because of special needs. Average payment should not be used to compute DHR financial obligation.

2/ Includes 0 State FCMP cases.

3/ In addition, there were 73 children in foster care for whom neither board payment nor specialized service fee was made.

Children receiving payment from the Aid to Children in Foster Care program provided through County Departments of Human Resources numbered 2,656 for the month of April. The maximum board payment from the Department is based on the age of the child and is as follows: 0-2 years, $181.00; 3-5 years, $192.00; 6-12 years, $202.00; and 13-18 years (19 if last year in high school), $213.00. The average board payment per month may be less than the maximum because some of the children included have board payments made partially from private funds and because some children do not remain at board for a full month. In some instances the average board payment may exceed the maximum because certain children are eligible for nursing care or special care.

SOCIAL SERVICES

Children receiving payment from the Foster Care Maintenance Payments program provided through County Departments of Human Resources numbered 907 for the month of May. The maximum board payment from the Department is based on the age of the child and is as follows: 0-2 years, $181.00; 3-5 years, $192.00; 6-12 years, $202.00; and 13-18 years (19 if last year in high school), $213.00. The average board payment per month may be less than the maximum because some of the children included have board payments made partially from private funds and because some children do not remain at board for a full month. In some instances the average board payment may exceed the maximum because certain children are eligible for nursing care or special care.

Also, in other instances, payments are higher than usual due to unusual care required because of special needs. Average payment should not be used to compute DHR financial obligation.

2/ Includes 0 State FCMP cases.

3/ In addition, there were 81 children in foster care for whom neither board payment nor specialized service fee was made.

1/ Excludes payments from private funds.

2/ Averages are not representative in some counties as children were sometimes at board for only part of the month. Also, in other instances, payments are higher than usual due to unusual care required because of special needs. Average payment should not be used to compute DHR financial obligation.

3/ Includes children under State supervision.

4/ In addition, there were 638 children in foster care for whom neither board payment nor specialized service fee was made.

JOB OPPORTUNITIES AND BASIC SKILLS TRAINING (JOBS) PROGRAM

The Family Support Act of 1988 created the Job Opportunities and Basic Skills Training Program (JOBS) for recipients of Aid to Families with Dependent Children (AFDC). Eighteen counties currently operate JOBS (the three ASSETS counties operate a version of JOBS) and the federal law requires that the program be state-wide by October 1, 1992. The purpose of JOBS is to assure that needy families with children obtain the education, training, and employment that will help them avoid long-term welfare dependence. Child care and other supportive services are guaranteed for participants in the program. The JOBS program represents a significant shift toward an emphasis on client self-sufficiency.
